

ASX Company Announcement**ACTIVITY REPORT & APPENDIX 4C**

31 July 2017

In the June quarter the Company was focussed mainly on securing financing in order to secure a reinstatement of trading on the ASX and to resume its commercial activities around developing and marketing the OMT suite of products. The Company is very pleased to report that it successfully completed a \$1.4m capital raising during the quarter and resumed trading on 7 June 2017.

The Company is currently undertaking a business review in order to identify and prioritize opportunities and a technical review on the Omni-Loop platform and the other OMT suite of products. Pending the outcome of the review, it is anticipated that during the September quarter OMT will focus on business development with a view to securing potential new opportunities for its suite of products, including Omni-Loop. These activities will include, but are not confined to, OEM and licensing arrangements for the Omni suite of products.

Notes

1. The quarterly report provides a basis for informing the market how the entity's activities have been financed for the past quarter and the effect on its cash position. An entity that wishes to disclose additional information is encouraged to do so, in a note or notes included in or attached to this report.
2. If this quarterly report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
